# 1 Introduction

## 1.1 Purpose

This document describes Berwick Tennis Club’s (BTC) current practises regarding the operation of its club to return to playing tennis, by providing a healthy and safe environment for its members whilst dealing with a pandemic. The plan details the procedures the committee, coaches and members will be required to adhere to, in order to meet the regulations being outlined by the Federal Government, State Government, Health officials, Tennis Australia, Tennis Victoria and City of Casey.

All persons entering the club will need to follow the outlined control measures to minimise the risk of the spread of the virus within the club space and to maximise our knowledge and controls to assess the impact of any COVID occurrence may have on the person(s) on any given day.

This is a working document that will be updated regularly to reflect changes in directive and introduce new recommended practises as they become available. It is intended to provide information and instruction for all who enter BTC facilities and participate in activities, to keep them and others safe.

## 1.2 Abbreviations/Acronyms

BTC	Berwick Tennis Club
COVID-19	<u>Coronavirus Disease 2019</u>
PPE	Personal Protective Equipment
RMP	Risk Management Plan
WHS	Work Health and Safety

Document Title	<b>Berwick Tennis Club COVIDSafe Plan</b>
----------------	---

## 2 Definitions

Asymptomatic	A person that is infected with the COVID-19 virus but does not display any symptoms.
COVID-19 symptoms	<p>The most common COVID-19 symptoms reported are:</p> <ul style="list-style-type: none"> <li>• Fever &gt; 37°C</li> <li>• Dry cough</li> <li>• Tiredness</li> <li>• Difficulty breathing or shortness of breath</li> <li>• Sore throat</li> </ul> <p>Other symptoms can include runny nose, headache, muscle or joint pains, nausea, diarrhoea, vomiting, loss of sense of smell, altered sense of taste, loss of appetite and fatigue.</p>
Close contact	Having face-to-face contact for more than 15 minutes with someone who has a confirmed case of COVID-19 or sharing a closed space with them for more than two hours.
Vulnerable group	<p>People who are more at risk than others of becoming seriously ill with COVID-19. The people most at risk are:</p> <ul style="list-style-type: none"> <li>• People aged 70 years and over</li> <li>• People aged 65 years and over with chronic medical conditions</li> <li>• People with chronic conditions or compromised immune systems</li> <li>• Aboriginal and Torres Strait Islander people over the age of 50</li> </ul>
Cleaning	Physically removing germs, dirt and organic matter from surfaces. Cleaning alone does not kill germs, but by reducing the numbers of germs on surfaces, cleaning helps to reduce the risk of spreading infection.
Disinfecting	<p>Using chemicals to kill germs on surfaces. It's important to clean before disinfecting because organic matter and dirt can inhibit the ability of disinfectants to kill germs.</p> <p>A combination of cleaning and disinfection will be most effective in removing the COVID-19 virus. Cleaning reduces the soil load on the surface, allowing the disinfectant to work and kill the COVID-19 virus. Disinfectant may not kill the virus if the surface has not been cleaned first.</p>

Document Title	<b>Berwick Tennis Club COVIDSafe Plan</b>
----------------	---

### 3 Assignment of Responsibilities and Authorities

The following table describes the various responsibilities in managing the BTC COVID-19 pandemic plan:

<b>Role</b>	<b>Responsibility</b>
BTC Committee	<ul style="list-style-type: none"><li>• Consult with other committee members on workflow to help decide how to best manage hazards and risks.</li><li>• Implement control measures to remove or reduce risks.</li><li>• Stay up to date with information/directions with Department of Health and Human Services Victoria (<a href="https://www.dhhs.vic.gov.au/coronavirus-covid-19-daily-update">https://www.dhhs.vic.gov.au/coronavirus-covid-19-daily-update</a>).</li><li>• Communicate to President and committee status and actions and potential Covid events</li><li>• Place posters around the clubhouse to remind members of good hygiene practises and social distancing.</li><li>• Ensure there's abundant supply of alcohol-based products for cleaning and disinfectants for hard surfaces.</li><li>• PPE</li></ul>
BTC President	<ul style="list-style-type: none"><li>• Communicate the pandemic plan and control measures with club members</li></ul>
BTC Members	<ul style="list-style-type: none"><li>• Must co-operate with the BTC committee in implementing control measures.</li><li>• Take reasonable care for their own health and safety, not adversely affect the health and safety of others.</li><li>• Not play tennis if they are feeling unwell.</li><li>• Must not attend the BTC Club if they are unwell</li></ul>

----------------	---

## 4 What is COVID-19?

Coronaviruses are a large family of viruses that cause respiratory infections. These can range from the common cold to more serious diseases.

COVID-19 is a disease caused by a new form of coronavirus. It was first reported in December 2019 in Wuhan City in China. Other coronaviruses include Middle East Respiratory Syndrome (MERS) and Severe Acute Respiratory Syndrome (SARS).

There is evidence that COVID-19 spreads from person to person and is most likely spread from person to person and is most likely spread through:

- close contact with an infectious person
- contact with droplets from an infected person
- touching objects and surfaces (like doorknobs or tables) that have cough or sneeze droplets from an infected person, and then touching your mouth or face.

### 4.1 Personal Management Strategy

It is a legal requirement in Victoria that anyone 12 years and over must wear a fitted face mask whenever they are indoors or are unable to socially distance, unless lawful exception applies.

A face covering is defined as a fitted mask that covers the nose and the mouth to provide the wearer protection against infection. Face shields alone, bandanas and scarves are not acceptable and where possible face masks should be three layers.

Everyone should practice good hygiene to protect against infections.

Hygiene includes:

- Wash your hands often with soap and water for at least 20 seconds, especially after you have been in a public place, or after blowing your nose, coughing, or sneezing. If soap and water are not readily available, use a hand sanitiser that contains at least 60 per cent alcohol.
- Cover your nose and mouth with a tissue when you cough or sneeze. If you don't have a tissue, cough or sneeze into your upper sleeve or elbow.
- Avoid touching your eyes, nose, and mouth with unwashed hands.

Page:	9 of 22
Version:	15.0

Document Title	<b>Berwick Tennis Club COVIDSafe Plan</b>
----------------	---

- Clean and disinfect high touch surfaces regularly.
- Stay home if you are sick and don't expose others. If you are unwell with flu-like symptoms, do not go outside your property or home, do not go to work, school or shops unless it is essential.
- Get vaccinated for flu (influenza) when available from April. It is not yet known whether COVID-19 could significantly increase the risks of influenza infection.
- Ensure you have enough supply of any medications being taken by you or your family.
- Stop shaking hands or kissing as a greeting.
- Avoid crowds if possible. If not, keep the time short.
- Maintain social distancing, 1.5 metres apart
- Ensure you are using face coverings that can be disposed of or washed daily. Please ensure that you wear them correctly and that they cover both your nose and your mouth.

**💡 FACT:** The virus has a fatty layer and soap is efficient at dissolving the fat membrane, resulting in an inactive virus. Soap outcompetes the interactions between the virus and the skin surface, and the virus gets detached and falls apart/become inactive.

That's why soap and 20 seconds is important and why soap is better than alcohol-based sanitiser. Alcohol-based sanitiser is better than not washing.

## 5 Return to Tennis Checklist

The following checklist details actions to be considered by the BTC to consider when returning to play, to ensure the safety of all participants and the community.

ID	Action	Implementation Outcome	Status/Date
1.1	Has the BTC Committee met to discuss the guidelines under which tennis will be delivered at the club?	Yes - Discussed at monthly tennis committee meetings - Documented in meeting minutes - Protocols devised	Ongoing
1.2	Has the club liaised with the Local Government Authority and/or venue owner to agree on facility use arrangements?	Yes	Completed Date:29/09/2021
1.3	Has the Club Committee assigned roles and responsibilities to committee members, coaches and volunteers to ensure a safe return to tennis for participants?	Junior coaching – Allison Miller, Head Coach, Set 4 Tennis  Social return – BTC committee members/co-ordinators	Ongoing
1.4	Has the Club Committee considered the steps/precautions required should a participant who has used the facility test positive for COVID-19?  Has the Club Committee considered collecting details of participants for contact tracing purposes or having participants download the Federal Government Coronavirus Tracking App?	Refer section 8 Actions for a suspected or confirmed COVID-19 case  BTC uses the Vic Services QR Code system and a manual record book.	Completed Date: 21/10/2020  Completed Date:23/04/2021

Document Title	<b>Berwick Tennis Club COVIDSafe Plan</b>
----------------	---

	Previously BTC utilized VisitSafe and prior to that an onsite record book.	BTC registered and QR codes printed, laminated and displayed.
1.5	<p>Has the Club Committee developed a court usage plan to manage the potential demand on facilities – balancing the needs of members, coaching and the community</p> <p>BTC is open for competition, recreational exercise/social hitting and coaching. Clubrooms are open, refer to section 9.1.1 for further details.</p> <p>Junior coaching/competition – Allison Miller, Head Coach, Set 4 Tennis</p> <p>Competition/social hitting return – BTC committee members/co-ordinators</p>	<p>Completed</p> <p>Email sent to members and social media platforms updated.</p> <p>Date: 02/11/2021</p>
1.6	<p>Has the Club Committee updated the venue Risk Register or Risk Management Plan to include pandemic risk?</p> <p>No – Risk Management plan in progress</p> <p>Pandemic risk details added to this document, refer Table 2 – Pandemic line item to be added to Risk Management <b>Plan</b></p>	In progress
1.7	<p>Is the club providing a safe environment for children?</p> <p>Yes</p>	<p>Completed</p> <p>Date: 18 Oct 2020</p>
2.1	<p>Have you developed a communication plan for the Return to Tennis strategy for members, coaching participants and community users</p> <p>Ensure this is clearly communicated to all stakeholder groups to manage expectations</p> <p>Mode of communication to be via email to all clients.</p> <p>Set 4 Tennis coaching website will be updated.</p> <p>Information to be communicated on social media platforms.</p>	<p>Completed</p> <p>Social Media platform updated.</p> <p>Member email detailing opening and guidelines 22/10/2021</p>

Document Title	<b>Berwick Tennis Club COVIDSafe Plan</b>
----------------	---

2.2	Has the club nominated a COVID-19 officer should members/non-members have any questions regarding COVID-19?	Enquiries: <a href="mailto:enquiries@berwicktc.asn.au">enquiries@berwicktc.asn.au</a> CovidSafe Plan uploaded to the BTC website.	Completed 01 June 2020
3.1	Have you conducted an audit of your facilities to ensure that they are in a safe and playable condition? Is the facility accessible and inclusive for ALL community members?	Yes <ul style="list-style-type: none"> <li>- Nets reinstalled</li> <li>- Gardening schedule re-instated</li> <li>- Cleaning protocol in place (Set 4 Tennis staff)</li> <li>- For coaching: Attendance register established via coaching metrics</li> <li>- For Member hitting: QR Code register established</li> </ul>	Ongoing
3.2	Ensure a thorough clean of the facilities, including, but not exclusively, court gates, court and coaching equipment before returning to play.  You might want to consider putting a cleaning roster in place to ensure the facility remains clean.	BTC clubroom is now open. Refer to section 9.1.1 for further details.  Clubrooms <ul style="list-style-type: none"> <li>- Alcohol wipes are used on alarm keypad, door handles, light switches</li> <li>- Disinfectant in the toilet bowls and hospital grade spray to clean toilets, handbasins and kitchen.</li> <li>- Masks are to be worn inside the clubrooms and a density limit of 24 people max is permitted.</li> </ul> Courtside <ul style="list-style-type: none"> <li>- Balls cleaned daily with Glen 20</li> <li>- Ball tubes and buckets cleaned with alcohol wipes or methylated spirit (diluted to 70%) after completion of each lesson.</li> </ul>	Ongoing Updated 22/10/2021  Ongoing

Document Title	<b>Berwick Tennis Club COVIDSafe Plan</b>
----------------	---

	- Drop down lines and cones are being cleaned at daily at the completion of coaching		
3.3	<p>Display COVID-19 hygiene and safe sanitising posters around the venue?</p> <p>If applicable, mark out social distancing (1.5m) crosses on the floor to ensure patrons maintain safe distance</p> <p>If you feel that you need to provide posters in other languages, please see support for translation service to cater for your local community.</p>	<p>Yes</p> <p>Capacity signage and mask signage to be displayed at clubrooms.</p> <p><a href="https://www.coronavirus.vic.gov.au/sites/default/files/2020-11/Entry-poster-Our-patron-numbers-are-limited.pdf">https://www.coronavirus.vic.gov.au/sites/default/files/2020-11/Entry-poster-Our-patron-numbers-are-limited.pdf</a></p>	Completed 27/01/2021
3.4	Have you decided venue operating hours and whether court lighting will be available?	<p>BTC courts are available to members and coaching staff/clients only. Lights available for night play.</p> <p>BTC clubroom is now open.</p>	Completed Date: 02/11/2021
3.5	Where applicable, can you leave doors and gates ajar to minimise contact?	Access gates to courts to be left open during coaching periods. At all other times they are to be locked and only accessible by members who know the lock codes.	Completed Date: 30/09/2021
3.6	Have you thought about best practice for using tennis balls or touching gates and equipment?	Refer ID 3.2	Completed Date: 21/10/2020

## 6 BTC Prevention Steps

Page:	14 of 22
Version:	15.0

Document Title	<b>Berwick Tennis Club COVIDSafe Plan</b>
----------------	---

The BTC is utilizing the Victorian Government QR Code Service.

A laminated QR Code, with instructions, can be found at each entry point/gate at the BTC.

In addition, the BTC will practice good hygiene and undertake the following and/or ensure:

- Clean all surfaces, such as counters, tables, doorknobs, bathroom fixtures, toilets, phones at least once a day wearing disposable gloves
- Clean any surfaces that may have blood, body fluids and/or secretions or excretions on them
- Sanitizer or wipes are available at all points of contact. Soap is provided in the toilets and kitchen.
- Signage re handwasher and hygiene techniques have been posted strategically around the Club, in the kitchen, male and female toilets and in the Clubrooms.
- Regularly remind and encourage everyone, particularly juniors, of the need to wash hands regularly and adopt the other principles of a good hygiene strategy.

For all members onsite, if you feel unwell, even if the symptoms are not common for COVID-19, please report to club committee immediately. For the safety of others, you will be requested to leave the club. In addition, if you are unwell, please do not attend the club.

## **7 General hygiene, PPE usage and cleaning and disinfecting**

Graphic visual representations of good hygiene and social distancing information have been placed around the clubrooms as a reminder to members to practice these key activities to help prevent the spread of the virus.

Good hygienic practices are critical to minimising transmission of the virus. The emphasis here is on hand washing with soap for at least 20 seconds and rinsing off with water.

At the beginning and the end of each day the BTC clubrooms are being cleaned by the Set4Tennis coaching team and or competition coordinators.

- Alcohol wipes are used on alarm keypad, door handles, light switches
- Disinfectant in the toilet bowls and hospital grade spray to clean toilets, handbasins and kitchen.

Document Title	<b>Berwick Tennis Club COVIDSafe Plan</b>
----------------	---

For competition days there is a cleaning protocol and compliance signage forms stuck to the wall in both the canteen and kitchen. These detail cleaning procedures for the clubrooms and the canteen. Note that the canteen is permitted to operate but must do so under hospitality COVID guidelines.

#### Courtside

- Balls cleaned daily with Glen 20
- Ball tubes and buckets cleaned with alcohol wipes or methylated spirit (diluted to 70%) after completion of each lesson.
- Drop down lines and cones are being cleaned at daily at the completion of coaching
- Gates and locks cleaned daily with Glen 20

## **8 Actions for a suspected or confirmed COVID-19 case**

### **8.1 Member actions**

If you are feeling unwell or are displaying symptoms of COVID-19 infection (e.g. fever and continuous coughing) while onsite at the BTC, you must report to your coach or committee member immediately. Remember to maintain social distancing and avoid contact with other persons. You will be asked to leave the club and advised to see a medical practitioner for medical assessment.

If you are feeling unwell while you're at home, you must not attend the BTC. You should seek a medical assessment if you are displaying symptoms consistent with COVID-19.

You must self-isolate if you are diagnosed with COVID-19 for a minimum period of 14 days. If you have frequented the BTC in the two weeks prior to being diagnosed, you must notify the President of the BTC.

If you are not diagnosed with COVID-19, you must stay home until you have fully recovered from the infection that made you ill in the first instance.

### **8.2 BTC actions**

If a member is unwell or is displaying symptoms of COVID-19 infection whilst at the BTC, you must:

Document Title	<b>Berwick Tennis Club COVIDSafe Plan</b>
----------------	---

1. Isolate the person from other members.
2. Send the member home and refer to a medical practitioner for assessment. Ensure they have appropriate transport. Avoid public transport.
3. If a positive test result is returned, follow the advice of the DHHS.
4. Clean and disinfect the areas where the unwell member and those that had been in close contact with the unwell member, had been, including common areas. Evacuate the common areas for cleaning and disinfecting.
5. Review risk management controls relating to COVID-19 and review whether response process need to change.
6. Communicate and update other members on what is happening.

## 9 Return to Tennis

The directions of the Victorian Government for Victoria together with the guidelines issued by Tennis Victoria <https://www.tennis.com.au/vic/news-and-events/latest-covid-updates-for-victoria> from 30th October 2021, now state for Victoria that:

Competitions and tournaments can return. Tennis as a community sport can return across Victoria for the minimum number required (singles and doubles play permitted) at indoor and outdoor facilities.

### 9.1 PREMISES / VENUES / TENNIS CLUBS

- If the premises is only open for community sport, you do not need to be fully vaccinated, or confirm vaccination status or comply with venue density limits.
  - If you are opening the premises for other purposes (food and beverage, retail or social functions, gym), all patrons will need to be fully vaccinated and have their check-in status verified by a COVID Check-in Marshal and comply with density limits (1 per 4sqm for indoor and 1 per 2sqm for outdoor or up to 500). Toilets are excepted.
- The definition of *community sport* is all community sport playing activities that are authorised by the State Sporting Association. For tennis, this includes on court activities i.e. coaching, competitions, tournaments, training/social play and court hire.
- Clubhouses can open:

Document Title

**Berwick Tennis Club COVIDSafe Plan**

- If the clubhouse is open for the purpose of community sport only, you do not need to be fully vaccinated, or confirm vaccination status or comply with venue density limits.
- If the clubhouse is open for other purposes (food and beverage, retail or social functions) all patrons will need to be fully vaccinated and have their check-in verified by a COVID Check-in Marshal and comply with density limits of 1 per 4sqm. Toilets are excepted.
- Spectators are permitted subject to public gathering limits in the [Stay Safe Directions](#) No.28, in groups of no more than 30 (multiple groups must be spaced out).
- Shared equipment must be cleaned between users.
- At their discretion, some clubs may wish to introduce measures beyond the above guidelines. Tennis Victoria recognises and supports the ability of clubs to do so.
- All venues / clubs are required to have up to date and accessible COVIDSafe plans.

9.1.1 BTC Clubroom Operation

During coaching and competition play the BTC clubroom is open for the purpose of community sport only. There is no need for players and spectators to be fully vaccinated and there is no requirement to comply with venue density limits.

Post competition completion and at the discretion of the supervising club member, the club canteen may open for the purpose of selling drinks. This is only permitted provided the following restrictions are adhered to and monitored by a Covid Marshal.

- Only authorised club members to access the canteen area
- Fully vaccinated persons only – proof must be presented
- Subject to density requirements of 1 person per 4 sqm – with a maximum capacity of 24 people
- Masks must be worn and social distancing must be adhered to
- Canteen area and clubrooms must be cleaned after use

**9.2 EMPLOYERS / BUSINESS OPERATORS / COACHES**

- In addition to the above relating to premises, there is a requirement for employers to ensure all staff working at or in relation to a facility used for sport are either fully vaccinated or partially vaccinated (second dose due before 26 November 2021) as per the [COVID-19 Vaccination Workers](#)

Document Title	<b>Berwick Tennis Club COVIDSafe Plan</b>
----------------	---

Directions. This requirement supplements employers’ health and safety obligations and could apply to paid coaching staff and paid administrators.

- Shared equipment must be cleaned between users.
- All businesses are required to have up to date and accessible COVIDSafe plans.

### **9.3 PLAYERS / PARTICIPANTS / SPECTATORS**

- Everyone attending a tennis club must continue to Check-in via the Service Victoria QR code app.
- Face masks are required in indoor spaces only for ages 12+ (unless a medical exemption applies)
- There are no travel restrictions between Metro Melbourne and Regional Victoria.
- Shared equipment must be cleaned between users.
- Players are encouraged to practice the COVIDSafe principles

## **10 BTC Tennis Play**

### **10.1 Social – Day**

As per the current directions, recreational tennis (Book a court / casual court hire), can return for the minimum number required (singles and doubles play permitted).

1. Courts will be available according to the following general guidelines. Please exercise common sense and courteousness during this time. All members have equal rights to use the courts.
2. Coaching will have priority use of the following courts at the days/times shown below:
  - a. Courts 3, 4 and 5  
- Monday to Thursday – 3:30pm to 7:30pm
  - b. Court 6  
- Monday to Wednesday – 3:30pm to 7:30pm
  - c. Court 7  
- Monday – 4:00pm to 5:00pm
3. General social play is available for all members on all courts outside the above times.
4. The courts will not be available for public hire to ensure that members can have maximum use of the courts.

Document Title	<b>Berwick Tennis Club COVIDSafe Plan</b>
----------------	---

5. If you arrive and the courts are full, please leave and return an hour later.
6. Please do not play for more than an hour if courts are full, or two hours otherwise.

### **10.2 Social – Night**

Available any night. Authorised key holder must be present.  
Playing conditions as per 10.1 – Social Day.

### **10.3 Tennis Coaching**

Tennis coaching is now permitted under the current directions of the Vic Government and Tennis Victoria.

Set4Tennis has its own staff manual for COVID-19 protocols and procedures. Each staff member has read the document, is implementing the procedures and has a copy of the document in their coaching folder.

Coaching is being held on courts 3, 4, 5, and 6 in the following formats

- 1:1 Private Lessons
- 1:2 Semi Private Lessons
- Group Lessons with a maximum of 4 students plus coach
- Match Play Sessions
- Casual Coaching

There are 1-4 students maximum per court and they are entering and exiting their coaching court through separate gates. Figure 1 details the entry points for courts. Hand sanitizer is provided on entry and exit to the court and as required during the lesson.

All courtside equipment is cleaned and only coaches are touching the drop down lines and cones. Any shared equipment is being cleaned at the conclusion of every lesson.

#### Courtside

- Balls cleaned daily with Glen 20

Document Title	<b>Berwick Tennis Club COVIDSafe Plan</b>
----------------	---

- Ball tubes and buckets cleaned with alcohol wipes or methylated spirit (diluted to 70%) after completion of each lesson.
- Drop down lines and cones are being cleaned at daily at the completion of coaching
- Parents are required to stay in their car or outside the court fence. Current regulations limit the number of people gathering at the BTC.

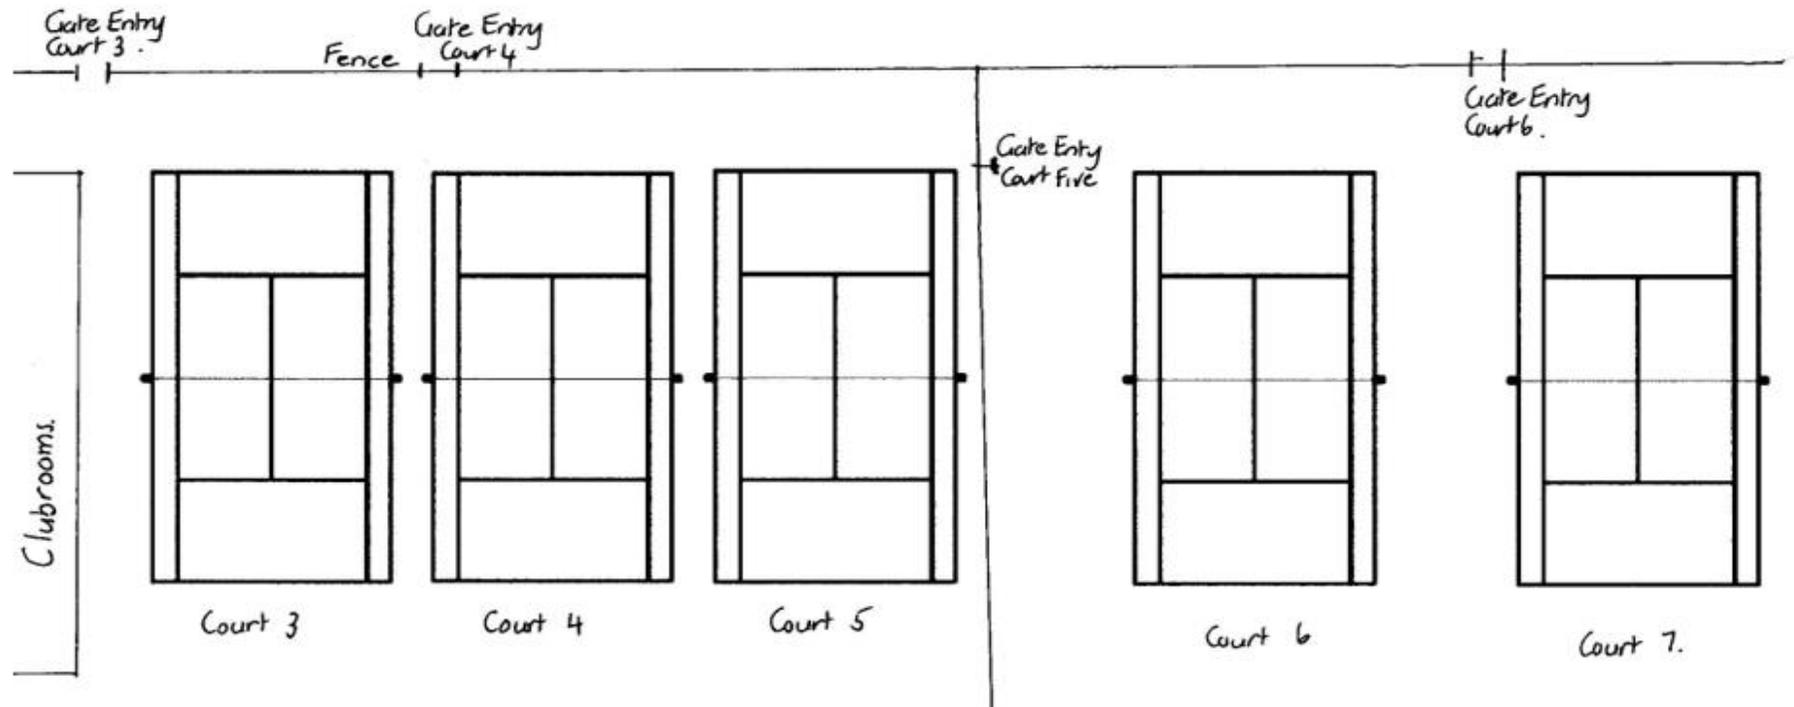

Figure 1 Court entry and exit point for tennis coaching

### 10.4 Competition

Competition tennis is now permitted to return. Refer to details in section 9.

## 11 Changes to Guidelines

Document Title	<b>Berwick Tennis Club COVIDSafe Plan</b>
----------------	---

As changes to guidelines are released, this document will be updated accordingly.

## 12 Risk management - Pandemic

The BTC Risk management plan will be updated to include the risk management of pandemics.

**Table 1 - Tennis Venue Risk Rating Matrix**

Likelihood	Tennis Venue Risk Ranking Matrix				
<i>High</i>	6	7	8	9	10
<i>Significant</i>	5	6	7	8	9
<i>Moderate</i>	4	5	6	7	8
<i>Low</i>	3	4	5	6	7
<i>Negligible</i>	2	3	4	5	6
<b>Consequence</b>	<i>Negligible</i>	<i>Low</i>	<i>Moderate</i>	<i>Major</i>	<i>Catastrophic</i>

**Table 2 – Pandemic line item to be added to Risk Management Plan**

No.	Context				Risk Rating			Existing or new controls	
	Risk Category	Risk Description	Possible Outcomes	Specific Outcomes	Likelihood	Consequence	Rank
